

From the 1700's to the
early 1900's

*The migration of Sam Henson
Floyd Floyd line ancestors
inside the
North American Continent*

Descriptions of the following pages

- Slide 1 shows the earliest entry into the Colonies.
 - I do have the names of two more generations of Floyds, but I don't have their location and have not included them in this presentation.
- Slides 2 through 3 show the migration of the Floyd line making their way west until landing and staying in Texas.
- Slide 4 has a map overview of the migration path.
