

From the early 1600's to
the early 1900's

*The migration of Marthie
Agnes Slover's Slover line
ancestors inside the
North American Continent*

Descriptions of the following pages

- Slide 1 shows the earliest entry into the Colonies. This was just before and after the Duke of York (from England) sailed in and captures New Amsterdam.
 - New Netherlands was then renamed New York and the city of New Amsterdam was renamed New York.
- Slides 2 through 4 show the migration of the Slover line making their way west until landing and staying in Texas.
- Slide 5 has a map overview of the migration path.
